What this SpokerRide is all about:

2017 marks the 15th annual SpokerRide! From the inaugural ride of 66 riders to last years 190 riders the SpokerRide has grown each year with over \$115,000 raised over the 15 years of the ride. Each year the ride gets bigger and better with more money being raised to help fight cancer and bring cancer awareness to our community.

More than one out of every three Americans will eventually have cancer - that's one in every two men and one in every

three women. The odds of cancer affecting you or a loved one are not that improbable.

The Volunteer Transportation Center provides rides free of charge to those that need transportation to and from their cancer treatments, physicians appointments and other needs. The SpokerRide welcomes the VTC to our list of sponsors and beneficiaries!

Lunch will be provided for all riders after the ride. There will be food available for purchase by non-participants as well, and there are many area restaurants open on race day.
